North Carolina Immunization Branch

North Carolina Immunization Branch

The N.C. Immunization Branch promotes public health through the identification and elimination of vaccine-preventable diseases like polio, hepatitis B, measles, chickenpox, whooping cough, rubella (German measles), and mumps. In 2001, the Branch incorporated an adult education component into the program to raise awareness of the agelessness of immunizations.

Hot Topic

- [National Influenza Vaccination Week](#) will be observed December 3-9 this year. This event highlights the importance of continuing influenza vaccination throughout the season. Resources to encourage vaccination--in English and Spanish--including fact sheets, flyers, and posters, are available on CDC's website. Web Buttons, badges, animated GIFs, and web banners are available from CDC as well. (December 5, 2017)

Memos from the NC Immunization Branch: <http://www.immunize.nc.gov/providers/memos.htm>

The screenshot shows the website for the North Carolina Immunization Branch. The header includes the NC Health and Human Services logo and the Women's and Children's Health logo. A navigation menu lists categories like 'MY FAMILY & ME', 'HEALTHCARE PROVIDERS', 'SCHOOLS & CHILD CARE FACILITIES', and 'RESEARCHERS & MEDIA'. The main content area is titled 'North Carolina Immunization Program (NCIP) Requirements Memos'. It includes a brief introduction and two sections of memos:

- 2016 Memos**
 - (8/1/2016) [Annual Immunization Report for Kindergarten Students in Public School](#) (PDF, 301 KB)
 - (8/1/2016) [Annual Immunization Report for Kindergarten Students in Private School](#) (PDF, 321 KB)
 - (8/1/2016) [Annual Immunization Report for College Students](#) (PDF, 285 KB)
 - (3/21/16) [2016 Regional Immunization Workshops and Annual Training Requirements](#) (PDF, 59 KB)
 - (2/11/16) [NCIB Meaningful Use Registration Portal](#) (PDF, 103 KB)
 - (2/8/16) [Updated Refrigerated Vaccine Transport Guidance](#) (PDF, 1.08 MB)
 - (2/4/16) [Changes in Immunization Consultant Staffing and Regional Assignments](#) (PDF, 290 KB)
- 2015 Memos**
 - (12/10/15) [Annual Child Care Immunization Report](#) (PDF, 293 KB)
 - (12/2/15) [Pentacel Delay Guidance](#) (PDF, 231 KB) and [Letter from Sanofi Pasteur](#) (PDF, 141 KB)

ACIP Recommendations: <http://www.cdc.gov/vaccines/pubs/ACIP-list.htm>

The screenshot shows the CDC website's 'Vaccine Recommendations of the ACIP' page. The header includes the CDC logo and the text 'Centers for Disease Control and Prevention CDC 24/7: Saving Lives, Protecting People™'. A search bar is present with the text 'SEARCH' and a magnifying glass icon. Below the search bar is a 'CDC A-Z INDEX' dropdown menu. The main content area is titled 'Vaccine Recommendations of the ACIP' and includes a sidebar with navigation options like 'ACIP Recs Home', 'Vaccine-Specific Recommendations', and 'Comprehensive Recommendations'. The main content area is titled 'ACIP Vaccine Recommendations' and includes a sub-header 'Vaccine-Specific ACIP Recommendations'. This section contains a table of vaccine recommendations:

Anthrax	Meningococcal UPDATED
BCG	Pneumococcal
DTaP	Polio
Hepatitis A	Rabies
Hepatitis B	Rotavirus
Hib	Smallpox (Vaccinia) UPDATED
HPV	Tdap/Td
Influenza UPDATED	Tvnhoid

To the right of the table is a section titled 'ACIP Abbreviations' which explains that these abbreviations provide a uniform approach to vaccine references used in ACIP Recommendations that are published in the *MMWR*, the *Pink Book*, and the *AAP Red Book*; and in the U.S. immunization schedules for children, adolescents, and adults.
